Features and Benefits

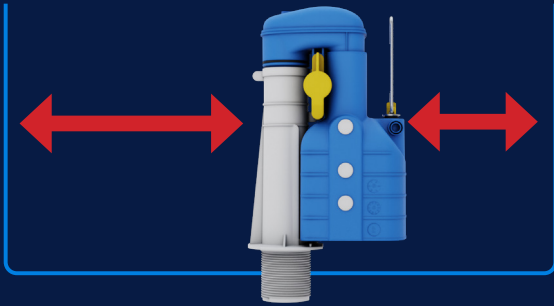

7 reasons why the TurboEdge toilet syphon is the perfect choice for modern bathroom installations...

- ~ **Best fit:** The world's smallest serviceable toilet syphon is guaranteed to fit all lever-operated cisterns
- ~ **Easy to install:** Turbo Edge's height-adjustable, demountable design allows for easy first-time fitting for most cistern shapes
- ~ **Easy to maintain:** Because it's demountable you don't have to dismantle the entire cistern for servicing in the future
- ~ **Good in a tight spot:** The all-new, full captive yellow fixing pin doesn't have to be removed during installation so it's easier for you to work in tight spaces
- ~ **Saves water:** Easy-flush volume adjustments can be done in seconds and Duoflush comes as standard
- ~ **Easy to retrofit:** Turbo Edge is the only toilet syphon that will retrofit on to ALL existing Dudley downlegs issued over the last 30 years (including the Turbo 88 adjustable and Fixed Height, S44R and S1-11 syphons)
- ~ **Easy for all users:** Turbo Edge's user friendly, light-touch operation makes it ideal for very young and elderly users
