Food Safe
conforms
to ISEGA
Standards

No Solvents
or
Isocyanates

Does Not
Shrink

Paintable

Unique
Flexibility

Environmentally
Compliant

Works in
Wet or Dry
Conditions
Including
Salt Water

WHY IS OB1 SO INCREDIBLE?

BONDS ALUMINIUM & WOOD

OB1 will maintain its robust bond when cured from -40°C to +120°C and therefore is able to cope in harsh external weathering conditions and in a refrigerated environment.

FOOD SAFE FORMULA

OB1 conforms to ISEGA Standards so it is the perfect solution for use in kitchens and food preparation areas.

MARINE & POOL SEALANT

The original formula makes OB1 the ideal sealant for under water applications even resistant to saltwater. Its hybrid polymer formulation can be applied under water and retains its initial bond.

CARBON FIBRE, FIBREGLASS & GRP

For instant repair or bonding with carbon fibre materials, fibreglass and GRP, this all-in-one sealant, adhesive and filler is all you'll ever need. OB1 withstands vibration.

PLASTIC TO METAL & STEEL

OB1 allows flexible adhesion that can move with the expansion and contraction of metal and steel without etching or burning the surfaces. For polypropylene and polyethylene contact manufactures technical services.

ENVIRONMENTALLY SOUND

OB1 contains no solvents or isocyanates resulting in an A+ rating for air quality. It is odourless and kind to the environment.

SOLAR PANELS

OB1 does not contain any solvents so it will never crack, shrink or collapse, creating a permanent seal/bond. In addition it has a high resistance to weathering.

MIRROR ADHESIVE

OB1 original formulation has no solvents or isocyanates so it will not degrade the back of mirrors.

SUPERIOR FOR BATHROOMS

OB1 features Zero VOC's (volatile organic compounds) so it cures absolutely solid with no holes OB1 never shrinks or cracks.

BONDS & SEALS LEAD FLASHINGS

Perfect for roofing applications, OB1 seals, grips and fills lead flashings to stone, brick and felt – even in the wet!

FIX LEAKING GUTTERS

OB1 performs flawlessly even when applied under water, doesn't contain solvents, so therefore will never shrink or crack. It's the perfect repair for leaking gutters.

GARDENING REPAIR

OB1 fixes your terracotta, ceramic, cracked concrete, slate and even broken pots and planters whether dry or wet. Repair garden pond ornaments even under water.
